Dear Resident,

This is your temporary parking permit. It must be visibly displayed on your dashboard. Please follow the directions below:

- 1) Print permit.
- 2) Cut along dotted line and display the top portion on your dashboard.

It is your responsibility to visibly display this temporary permit on your vehicle dashboard until you receive your permit in the mail. If you fail to display this temporary permit, pursuant to the rules of your property, you are subject to tow at vehicle owner's expense. If you do not receive your permit before this temporary permit expires, please contact Reliant Parking:

Service@ReliantParking.com

NO PLATE: If you registered your vehicle with "no plate" it is your responsibility to update your license plate information prior to parking your vehicle on the property. If your license plate is not registered with your Reliant Parking, you are subject to tow at vehicle owner's expense.

ATTENTION: If this permit is vehicle specific, then it is **NOT** transferrable to another person or vehicle.

Please make sure to always display a valid permit on the vehicle it was ordered for. Failure to do so may result in immediate tow. If this permit is not vehicle specific, then the valid permit can be displayed on any vehicle. If you have any questions, please email service@ReliantParking.com

What if my temporary permit expires before I receive my permanent permit in the mail?

To avoid being towed, you **MUST** display a valid permit at all times. If you have not received your permit within 10 days of this order, please contact service@ReliantParking.com to process a replacement order and correct any issues that may have resulted in the delay.
